

# FOR YOUR WELLBEING

Sales Xceleration is following guidance from local health departments and the Centers for Disease Control and Prevention (CDC) regarding large gatherings, including recommendations on preventing the spread of COVID-19.

At this time, our upcoming Certified Sales Leader classes will take place as planned, and we have put the following procedures in place to help keep you safe and healthy:

- Participants will have their temperature taken upon arrival – anyone who displays a temperature greater than 100.5 degree will not be allowed to enter the classroom.
- Participants will be seated 6 feet (or more a part), in accordance to CDC guidelines.
- Participants will be required to wear a mask in common areas. Masks can be removed once participants are seated.
- Hand sanitizer will be provided and placed at each person's seat.
- The room will be cleaned and sanitized twice a day to help further mitigate the spread of germs.

If you choose to attend, please also keep in mind what you can do to keep yourself and others healthy:

- Avoid close contact with people who are sick.
- Avoid touching your eyes, nose, and mouth with unwashed hands.
- Wash your hands often with soap and water for at least 20 seconds. Use an alcohol-based hand sanitizer that contains at least 60% alcohol if soap and water are not available.
